## PRAY'N'PLAY PARK PHASE TWO SOON UNDERWAY!

With the completion of the playground in 2019 the first phase of the church's Pray'n'Play Park began providing a great place for children of the church and community to play.

Phase Two of the church's "Back Porch" is a shelter that will be built between the playground and the church building. Check out the drawing of the Pray'n'Play Park on page 10. The goals for the shelter are:

- A place for parents to gather while they watch their kids play
- A place for NUMY/Scouts/Children's groups to gather for games, programs, fellowship
- A place for outdoor events/classes/gatherings for all ages
- A "back porch" of the church that helps to connect NUMC with the community

Many thanks to the Trustees who are seeing this project through and especially to Gary Manning who is serving as Project Coordinator and General Contractor. Plans are falling into place and the hope is that construction will begin soon after Easter.

Donations to the Pray and Play Park are still welcome! With increased building costs, previously committed funds may come up a little short. Your help would be greatly appreciated!

## WHAT'S HAPPENING ON SUNDAYS BEFORE WORSHIP AT 10:30?

Would you like to connect with others before worship on Sundays? Wondering how to do that? Each month we'll feature one group and give you the schedule and contact info for others. This month our featured group is:

**Sweeter than Honey Class** — this group reads the Bible and other books which help them to learn about the biblical text. Shortly they will begin Walter Brueggeman's *The Prophetic Imagination*. There's no greater biblical scholar who has served the church

and communicated his love for scripture so effectively as has Walter Brueggemann. Sundays at 9:15. If you have questions email Michael Cartwright at [mcartwright@uindy.edu](mailto:mcartwright@uindy.edu).

## NURTURE-MEMBER CARE AT NUMC

In keeping with the mission of Nashville United Methodist Church, "LOVE GOD...LOVE OTHERS...PASS IT ON," the Nurture Member Care committee seeks to provide opportunities for the NUMC church family to connect with and care for each other.

Connecting with and caring for has many faces:

- \* A personal hand made card (by Jan Greenlee) sent from the church with words of comfort, well wishes or congratulations.
- \* A phone call on your birthday
- \* Being greeted at worship services on Sundays
- \* Getting or preparing meals when needed
- \* Co-sponsoring "The Church Has Left the Building" and "The Church Is In the Building" workdays.
- \* Family care and ushering at funerals,
- \* Providing welcome information to new members and appointing "shepherds" to assist new members for their first few months of membership.
- \* Meals for NUMY on Wed. evenings
- \* Helping with Young Disciples events
- \* Providing welcome bags for visitors
- \* Providing devotional journals for work campers with devotions written by other members SEE NEXT

PAGE

(continued from page 3)

- \* How about a phone call from one of the Lifters and Leaners just checking in with you?
- \* Organizing programs such as seasonal book studies or presenting the a video series "The Chosen." The possibilities are endless.

Because we Love God and God's people (Others), we are always looking for ways to share His love, to connect people with the church, with each other and with Jesus.

Would you be interested in joining this committee and working with us on this important work? The current members are Deb Beckinger, chair, Susan Barnes, Jan Greenlee, Tammy Galm, and Bruce and Donna Marks. We meet irregularly, many times by email and sometimes at Casa Del Sol for a dinner meeting! Please contact Deb (821-988-2443) or email me at [debeckinger@gmail.com](mailto:debeckinger@gmail.com) if you are interested or have any questions. We would love to have you join us!

## Love God, Love Others....Pass It On

### Here are a few ways to serve and grow in faith!

*We are pilgrims on a journey, We are brothers on the road; We are here to help each other Walk the mile and bear the load. I will hold the Christ light for you In the night-time of your fear; I will hold my hand out to you, Speak the peace you long to hear.*

The lyrics above offer a powerful message. One of the tasks below may speak to your heart, to your longing to hold the Christ light for someone else or share with others on the journey. If so, send out an email to check with the coordinator. Or you can call Pastor Mary at 317-340-1717 for assistance or Josh at the church office at 988-4666.

Maybe none of these ideas fit your idea of service or your passion for ministry. We'd love to encourage you to explore other areas!

## A Blessing from David

THANK YOU.

What an honor it has been to serve alongside you for the past few months. I have enjoyed seeking out and delivering messages which seemed right. Shelly and I have loved the opportunity to get to know many of you better, and we look forward to building deeper relationships as we continue under Pastor Mary's leadership.

You are an amazing group of people and leaders. I congratulate you on the efficiency with which you have helped carry the work during Pastor Mary's absence. I truly believe our congregation has much to offer in the outworking of God's kingdom here in Nashville, and in the greater world beyond.

The title "pastor," literally means "shepherd." For three months I have filled a few of those duties here: preaching, teaching, doing a couple of funerals, spending some time in the office studying, and meeting with staff. I've been happy carrying that title. But I am more than excited that our pastor, Pastor Mary has returned. I look forward to joining you as we lean into the future under her leadership.

And, I'm happy to simply be, "David" again.

Grace and peace to you.  
David Hayes and Shelly

## Greetings from Mary

I am so glad to see you all again!

Being away was great. We had a wonderful trip to Spain and time with family and friends.. I got to spend time on my lathe and work on the art of tool sharpening. I learned a lot about what I don't know! I met some wonderful people and learned more about the struggles of African-Americans from the very beginnings of this country to more recent days.

I really appreciate the Welcome Back party — and the Welcome Back song (thanks, Norman!)

One of the things that I was reminded of while I was away is that it is no small thing to be the church — to make a commitment that we are One in Christ. We worship together, pray for each other, share at the Table. We get older together and lift each other up when we have similar struggles. We encourage each other when we are in different seasons of life. We work together trying to bring a good result even when we see things differently.

It's no small thing to know that God uses each one of us to be the light so that others can see what God is doing. I'm grateful to have time away to get a renewed perspective and I'm so grateful to be back and to work with you all. It's no small thing to have that privilege!

Blessings always,  
Pastor Mary and Michael

IS  
NOW

United  
Women  
in Faith

As of March 2, the women's organization of the United Methodist Church has become **United Women in Faith**. The change is part of a refreshing of the organization that includes a new logo and an array of new and improved programs to nurture current members and welcome new women to join to put their love in action on behalf of women, children and youth.

The changes are designed to address the different needs and life stages of current members and new women and expand options for membership and engagement. The new name also aims to welcome current members whose local churches may choose to disaffiliate from The United Methodist Church as well as women of other faith traditions who want to join.

New and innovative programs will be rolled out throughout 2022. For additional information check out the new website at [uwfaith.org](http://uwfaith.org).

Our local unit of United Women in Faith meets on the 1st Thursday of each month at 9:30 a.m. in the NUMC Fellowship Hall.

## Future of the UMC

Wondering about the future of the United Methodist Church? Two opportunities are coming up to share your questions and concerns and to hear from our Conference and District Leadership.

Be Encouraged:  
**A "LISTENING SESSION"**

**WITH  
BISHOP TRIMBLE**

March 28  
& April 4

7:00 PM EST  
Live on ZOOM  
- NO REGISTRATION REQUIRED

Topic of Discussion  
Bishop's vision moving forward, General Conference postponement, and live Q&A

United Methodist Churches of Indiana

Additional Listening Sessions will be available around the District with our Conference Superintendent, Rev. InSuk Peebles:

- Thursday April 7, 6:30 pm, North Madison UMC, Madison
- Thursday April 21, 6:30 pm, North Vernon First UMC
- Sunday April 24, 4:00 pm— St Mark's UMC, Bloomington
- Thursday April 28, 6:30 pm— ZOOM Listening session; Zoom log-on information to follow

Says Rev. Peebles: *These sessions are two-way: I will share what I know, and I will hear the concerns you bring. We will have a time of prayer, listen to a video address from Bishop Trimble, and have discerning, healthy discussions about moving forward for the sake of Christ*

*and the UMC. The good news to remember is that even during this time, the United Methodist Church, through UMCOR, continues to bring aid and relief to Ukraine and the world in need: thank you all for your support of that mission!*

## NEW TABLES AND CHAIRS — A GENEROUS GIFT FROM BROWN COUNTY LIBRARY

Have you noticed the new tables and chairs? In its remodeling, the Brown County Library donated 8 tables and numerous upholstered chairs (along with storage carts) to the church. Thank you to the Library Board members for facilitating that gift.

As a thank you, a few individuals have already made donations to the Library to thank them for the chairs. If any other church members are interested in expressing their appreciation, donations can be made to Friends of the Library to support the Solar Panel project.

## AND IN NEWS FROM THE NUMC CHURCH LIBRARY ....

Communicating with God as we give of ourselves during Lent can be a wondrous experience. But how do we achieve openness and intimacy with God?

“Windows of the Soul” by Ken Gire shows how our Savior can speak to us through human and earthly means, tapping at the window of our heart! Another book “Soul Stories” by Gary Zukav, describes the personal struggles with jealousy, anger and fear in his life. The understanding of these emotions changed as he grew closer to a loving and compassionate God.

Feel free to check out any book in our church library. Take the card from the back pocket, write your name and the date on it, then place it in the basket on the table.

## UNITED WOMEN IN FAITH GIVES EMERGENCY GRANT TO WOMEN’S CENTER IN UKRAINE

NEW YORK, NY, March 16, 2022 – United Women in Faith, formerly United Methodist Women, today announced its first emergency grant to support women activists in Ukraine. The grant will go to the organization’s longtime partner in Kyiv, Ukraine. It is not releasing the name of the center for security reasons.

This grant will help women in Ukraine establish a network of coordinators (among activists) in the areas where active hostilities are taking place. The coordinators will assess needs and provide food, water, medicine and other basic necessities to women and children living in bomb shelters.

We want to support women, children, and youth in Kyiv over the long term. For direct donations to this effort, make check to NUMC UMW marked Ukraine and give to Kathy Roberts, treasurer for our local unit.

## UMCOR GIVING SUNDAY SUPPORTS PROMISE OF 100% TO SPECIFIC UMCOR PROJECTS

Through the ministry of The United Methodist Committee on Relief (UMCOR)—the humanitarian relief and development arm of The United Methodist Church—we are able to work alongside those in need to make a difference in communities and individuals whose lives have been upset by storms, wars, fires, displacement and climate change. UMCOR would be unable to do this work without the generous support of United Methodists here and around the world! . From training Conference Disaster Coordinators and Early Response Teams to keeping the office lights on, the UMCOR Special Offering equips the organization to respond quickly.

This Special Offering helps underwrite UMCOR’s “cost of doing business,” allowing UMCOR to keep the promise that 100% of any gift to a specific UMCOR project will go toward that project and not administrative cost.

The United Methodist Church’s special giving structure ensures your generosity blesses as many people as possible in sustainable, strategic ways. Even the smallest gift makes an impact. Special Offering Envelopes are available.

## **VISION RETREAT WILL HELP CHURCH RETHINK MISSION AND GOALS FOR NUMC**

One benefit of the Sabbatical time for Pastor Mary is that the church has had an opportunity to step back and reflect, too. The Church Council began a process of visioning led by David Hayes that will continue for the next few months. What is our mission? What are our values that are the underpinning that mission? What goals do we have that flow from a clear mission and vision? How do we listen and pray and trust God to lead us to that vision?

The NUMC Vision Group will have a retreat this spring, April 29-30, to continue this work. Please pray for them and encourage them as they think and reflect deeply and carefully about how God is leading us into the future. You'll be hearing more about their work in the coming months.

Thanks very much to David Hayes for consulting with us on this visioning process and for the ongoing benefit of the Clergy Renewal grant from the Lilly Endowment that makes it possible.

## **EASTER FLOWER COMMEMORATION WILL HONOR AND REMEMBER LOVED ONES**

Each year contributions for the Easter Flowers give us the opportunity to honor loved ones and to remember loved ones who have died. If you would like to participate in this commemoration, please pick up an order form from the church office or at church on Sunday. All forms and contributions are due in the church office by Wednesday, April 6 to allow time for the flowers to be purchased and the commemorative program to be published.

## **LEADERSHIP DIRECTORY NOW AVAILABLE FOR 2022**

In early March copies were made available of the Leadership Directory for 2022. If you did not receive one, you can still pick one up or call the church office and Joshua will send you one. This includes committee members and meeting times as scheduled.

If you are not serving on a program committee for NUMC and would like to do so, please notify Pastor Mary. Those teams are:

Nurture and Member Care  
Missions-Outreach  
Worship and Witness  
Church and Society

There is also an opening on the Board of Trustees.
