Rev. 8/2013

INTRODUCTION

Nashville United Methodist Church is happy to celebrate this glad occasion with you! We are pleased to be able to provide facilities in which you can celebrate your marriage vows. We will do all we can to make this event meaningful and memorable for you.

We extend God's blessings and pray that the preparation for your wedding will bring you a deeper sense of love, joy, and peace.

PERSONNEL

The pastor of Nashville United Methodist Church will normally officiate at wedding services in the church. Guest pastors are welcome to assist with the ceremony. Special circumstances sometimes require the services of a guest pastor. Please discuss your wishes with NUMC's pastor early in the planning process.

The organist at Nashville United Methodist Church may be available for your wedding service. Other approved organists are available. It is the responsibility of the wedding party to contact the church organist or pianist directly, as soon as your wedding date is set.

The church provides hostess/es who serve as liaison between the church and the wedding party. She/they will be in attendance at the rehearsal and the wedding, and at the reception if it is held at the church. Call the church office (988-4666) to arrange contact.

The church's custodian will do customary cleaning (vacuuming, trash removal) after the ceremony to ready the church for Sunday services. Please take all your personal items with you.

If your reception is to be held in our Fellowship Hall, and includes the use of the church kitchen, a kitchen representative must be in attendance.

If you request special music to be played from a CD, we will provide a sound technician to run our sound and light board.

SCHEDULING

Applications for weddings must be made with the officiating pastor at Nashville UMC. It is recommended that arrangements be made as far in advance as possible.

The officiating pastor may wish to schedule several consultations with the bride and groom prior to the wedding.

Weddings are considered officially scheduled on the church calendar when the application form and reservation fee are received in the church office.

Applications must be accompanied by the \$100 reservation fee.

Times allotted for weddings are scheduled in four-hour blocks of time.

- Morning weddings are between 8:00 and noon.
- Afternoon weddings are between 12:00 and 4:00.
- Evening weddings are between 4:00 and 8:00.

Decorating, photographs, and wedding party cleanup need to take place within these time frames.

Please check with the hostess if you need to shift these four-hour time blocks.

DECORATIONS

- Nothing in the sanctuary is to be moved (i.e., the lectern, baptismal font, chairs, pulpit, piano, organ console, communion table, etc.) by anyone other than NUMC's wedding hostess.
- The installation of all decorations (especially candles) is subject to the supervision of the hostess/es.

- Seasonal decorations may not be removed from the sanctuary without permission from the pastor.
- No decorations may be placed on the organ, piano, or altar rails.
- All flowers and decorations are to be removed immediately following the ceremony or final photos (within the allotted time.)
- Pads must be placed under palms, ferns, and floral pieces.
- Arrangements for an aisle cloth need to be made with the florist. The length of the aisle is sixty feet.
- Drop cloths must be placed under candelabras provided by florists. Aisle candles are not permitted.
- Decorations or markers may be used on the ends of the pews, but the method for fastening them to the pews must be approved by the hostess/es.

PHOTOGRAPHY AND VIDEOTAPING

The purpose of regulating the taking of still and video pictures during the ceremony is to preserve the dignity of the wedding ceremony as a religious service. Please be sure your photographer is aware of the following guidelines.

- Photographs may be taken during the wedding from a position no closer than the last pew. No flash photographs may be taken during the ceremony.
- Ushers are requested to inform guests with cameras that flash pictures may not be taken during the ceremony.

- Videotaping during the ceremony is allowed from the rear of the Sanctuary.
- The cameraperson must select a position prior to the wedding and remain stationary with the camera throughout the ceremony.
- Special lighting to enhance videotaping is not permitted during the ceremony.
- We will be happy to cooperate in arranging for pictures to be taken prior to or following the ceremony, not to exceed the hours allotted for the wedding.

MUSIC

The Christian wedding service is an act of worship in which the Bride and Groom come together to offer special thanks and praise and to ask God's blessing upon their life together. Music is an integral part of Christian worship. We ask that music be selected with this in mind.

FEES

A separate \$100 Security Deposit check is due prior to meeting with the Pastor. Final payment of church use fees is to be made directly to the Wedding Coordinator. (See Fee Schedule for specific details) All checks should be made payable to Nashville United Methodist Church. If a guest pastor officiates, that fee should be paid directly to the guest pastor.

The wedding party will be held liable for any damages incurred or extra cleaning.

MISCELLANEOUS

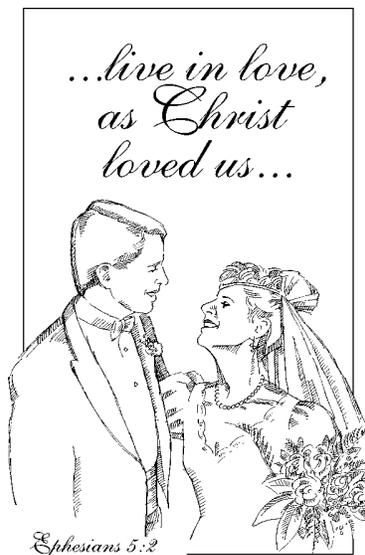

Members of the wedding party who wish to dress at the church are welcome to do so. Two rooms for this purpose are included in the user fee. On the evening of the rehearsal the hostess will indicate where these rooms are located.

Please Note: Beverages containing RED FOOD DYE are not permitted in the building. If spilled they would permanently stain the carpet.

ALCOHOLIC BEVERAGES AND SMOKING ARE NOT PERMITTED IN THE CHURCH OR ANYWHERE ON THE GROUNDS.
